

Looking for retail-ready, certified, diverse-owned suppliers!

The great local brands of Ahold Delhaize USA, which include Food Lion, The GIANT Company, Giant Food, Hannaford, Stop & Shop, Retail Business Services and Peapod Digital Labs, are partnering with RangeMe to discover new diverse-owned suppliers with products in the listed categories.

It's free to apply. Selected suppliers will be invited to a virtual meeting on ECRM Connect, which will be sponsored by Peapod Digital Labs (PDL). PDL is the digital, e-commerce and commercial engine which, among other things, provides supplier diversity sourcing services for the brands of Ahold Delhaize USA. The virtual meetings, which will take place four separate times throughout 2022, will each have a different focus. The first session in the event series will take place on March 14, 2022. The registration fee for suppliers will be covered by PDL.

We encourage you to submit your brand for consideration if it meets the category, as well as certification requirements, criteria below.
