Choice Awards: The Movie

EMSDC Awards Production Celebrating the Best of the Best in Supplier Diversity

PHILADELPHIA, PA – December 11, 2020 – The **Eastern Minority Supplier Development Council (EMSDC)** wouldn't let the pandemic stop them from celebrating success, networking, and presenting Corporation of the Year, Supplier of the Year, and other awards of distinction. Typically, 300+ guests gather in a select venue for an evening of networking, fine dining, and dancing, but to be safe, EMSDC chose to produce a movie to recognize leaders in our region.

The production included virtual networking, mixology fun, musical entertainment, and of course presentations of the following awards.

- Paving the Way Award: Vernice Lewis, PECO, An Exelon Company; Ajamu Johnson, Comcast; Ron Baldwin, AmeriHealth Caritas; Shelly Brown, Aon; Natily Santos, Aramark
- Kick Ass Award: Southern Region Minority Supplier Development Council

“The Choice Awards gives us an opportunity to celebrate the countless successes of our members, our organization and, on a larger scale, supplier diversity,” said Valarie Cofield, President & CEO of EMSDC. “The evening allows us to not only reflect on what we’ve accomplished thus far, but also to look to the future at how much more we need to do to move the needle, while amplifying the importance of support and advocacy of diverse businesses, from both sides.”
