Project Information:

The project consists of Modernization of the PSP Academy & BESO to accommodate modern law enforcement training. The project encompasses construction of 400,000 GSF of seven main new facilities and two outdoor tactical villages on a 146 acre site. This construction includes administrative/office areas, academic areas, auditorium, kitchen and cafeteria, gyms and training tank, indoor firing range, dormitories, outdoor tactical training areas, supply warehouse, horse stables, auto building and grounds building, and a new headquarters for the Bureau of Emergency and Special Operations (BESO). The existing Academy will remain operational through the construction of the main building(s). Demolition of the existing academy facilities, which contain hazardous materials, along with removal of underground fuel storage tanks will occur while the existing Academy remains operational. The Bid for General Construction .1 includes unit price items. Refer to the Unit Price Schedule included in the Bid Documents.
