

Thank you for your interest in the webinar, Growing Western Pennsylvania's Black-Owned Small Businesses, with the Office of Senator Casey, the Small Business Administration, the Minority Business Development Agency, Gannon University's Small Business Development Center, and the Pennsylvania Department of General Services on resources and services available to Western Pennsylvania's Black-owned small businesses.

Please see below for some of the resources and materials shared during the webinar.

Resources:

- Webinar Slide Deck: [2.23.2024 Western PA Black-Owned Small Biz Webinar.pdf](#)
- Additional slides from the PA Department of General Services, which provide an overview of the vendor registration process, how to participate as a small, diverse, or veteran business enterprise, as well as an overview of the state's bidding portal and vendor resources: [Doing Business with the Commonwealth of PA Senator Casey Event 2.23.24.pdf](#)
- Recording of the webinar:
