

# PURPOSEFUL CONVERSATIONS

## A CHOP Supplier Diversity Program Event

Join our Children's Hospital of Philadelphia (CHOP) Supply Chain team and minority business owners for a special networking event! Learn about our hospital and working with a large hospital system, while networking with CHOP leaders.

Minority-owned businesses specializing in the following categories are encouraged to attend:

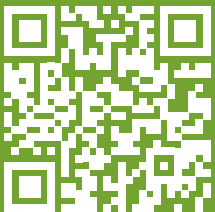

- air balancing
- architecture
- blood products
- boiler preventative maintenance, service and repair
- building automation maintenance
- cardiovascular supplies
- carpentry
- commissioning (infrastructure)
- commissioning (building envelope)
- dialysis supplies
- EKG supplies
- engineering (structural, site/civil, low voltage, MEP)
- ENT supplies
- equipment planning
- event planning
- janitorial services
- landscaping
- mechanical
- painting
- plumbing
- pre-occupancy and move planning
- revenue cycle management solutions
- signage/graphic design
- sterile processing instruments
- sterilization supplies
- testing and inspections
- third party repair and maintenance
