

Mascaro Construction Company, L.P. is currently bidding the **St. Margaret Linear Accelerator Replacement** project that is due on **Tuesday April 22th at 2 pm (EST)**.

Mascaro Construction will accept proposals from subcontractors and vendors, per plans and specifications, for all related trades until 12:00 pm (EST) on Tuesday April 22th 2025.

Brief Description:

Provide the necessary modification to allow for the replacement of a linear accelerator at St. Margaret hospital, located at 815 Freeport Rd., Pittsburgh, PA 15215.

The Work of Project is defined by the Contract Documents and consists of the following:

This work includes but is not limited to demo of the existing treatment room, MEP upgrades, concrete work, shielding, casework, and finish upgrades in the treatment room. MEP, wall relocation, and finish upgrades in the control room and adjacent office. Buildout of two new closets to hold a new power conditioner and new preauction cabinet. Finish and millwork upgrades in the office where the new closets are being built out. Removal and installation of the linear accelerator is by others. Some coordination with the Linac Vendor will be necessary.

Mascaro Construction Company, L.P. encourages certified minority-owned, veteran-owned, and woman-owned subcontractors, diverse and/or small businesses, and supplier participation on this and all our projects.
