

Local Procurement Webinar: The City of Pittsburgh and the Pittsburgh Sports and Exhibition Authority (SEA)

April 16, 2026
10:00 a.m. – 11:30 a.m.

Join us on April 16th to learn about doing business with both the City of Pittsburgh and the Pittsburgh Sports and Exhibition Authority. While the City buys a variety of goods and services for municipal departments, the SEA focuses on procurement for major venues like PPG Paints Arena, the David L. Lawrence Convention Center, Acrisure Stadium, and PNC Park. Representatives from each organization will answer questions on registering as a vendor and locating opportunities with their agencies.
