TAX COMPLIANCE PROVISIONS

RFPS, RFQs and Bids

Tax Compliance. It is the policy of the School District of Philadelphia ("School District") to ensure that firms, businesses and other legal entities receiving School District contracts are current in their payment of City of Philadelphia ("City") taxes and School District taxes or other indebtedness owed to the City or the School District, including but not limited to taxes collected by the City on behalf of the School District, at the time of contract award. Pursuant to Resolution SRC-2 dated February 21, 2013, the School District's Board of Education ("BOE") has adopted a Tax Compliance of Vendors Policy which provides that generally, the BOE will not authorize the award of a School District contract to a firm, business or other legal entity that is delinquent in its payment of City or School District taxes or other indebtedness owed to the City and/or the School District at the time of contract award. Attached is the Tax Compliance of Vendors Policy.

1. Comply with Tax Compliance Policy. All firms, businesses and other legal entities wanting to receive a School District contract or receiving a School District contract shall comply with all of the terms and conditions of the Tax Compliance of Vendors Policy.

2. Check for Tax Compliance Before School District Contract Award.

A. Before submitting a Proposal, Quotation, Quote or Bid, the Proposer, Vendor or Bidder shall check its tax compliance status with the City Revenue Department Tax Clearance Unit by going to the City Revenue Department website for tax compliance system <https://tax-services.phila.gov/> selecting "Vendor/Contractor" as the reason for compliance, and then submitting its name, type and tax identification number.

B. The City Revenue Department online tax compliance system will verify the tax compliance of the Proposer, Vendor or Bidder. If the Proposer, Vendor or Bidder is in compliance, then the Proposer, Vendor or Bidder shall print out a "Certificate of Tax Clearance" and include the "Certificate of Tax Clearance" in its Proposal, Quotation, Quote or Bid.

C. The City Revenue Department online tax compliance system will advise the Proposer, Vendor or Bidder if it is not in compliance and how to contact the City Revenue Department to resolve non-tax compliance issues. If the Proposer, Vendor or Bidder is not in compliance, then the Proposer, Vendor or Bidder shall contact the City Revenue Department Tax Clearance Unit directly (at telephone number 215-686-6565), identify itself as a School District vendor, and resolve the non-tax compliance issue before the BOE authorizes the award of the School District contract.

D. Generally, a Proposer, Vendor or Bidder will not receive a School District contract award until it has submitted proof of its tax compliance in the form of a "Certificate of Tax Clearance" to the School District. Generally, the BOE will not authorize the award of a School District contract to a Proposer, Vendor or Bidder that has not submitted a "Certificate of Tax Clearance" to the School District. Generally, the School District will not enter into a contract with a Proposer, Vendor or Bidder that has not submitted a "Certificate of Tax Clearance" to the School District.

Failure by a Proposer, Vendor or Bidder to include the "Certificate of Tax Clearance" in its Proposal, Quotation, Quote or Bid may make the firm, business or other legal entity a "non-responsible" Proposer, Vendor or Bidder for award of a School District contract. Failure by a Proposer, Vendor or Bidder to provide a "Certificate of Tax Clearance" to the School District within the time period required by the School District may make the Proposer, Vendor or Bidder ineligible to receive an award of a School District contract.

3. Provide Proof of City Satisfactory Arrangement, Settlement Agreement or Payment Plan; Continue to Comply with said Arrangement, Agreement or Plan.

A. The Proposer, Vendor or Bidder shall provide written proof to the School District of its satisfactory arrangement, settlement agreement or payment plan with the City to become compliant in the payment of City or School District taxes or other indebtedness owed to the City or the School District. The Proposer, Vendor or Bidder shall not receive a School District contract award until it provides written proof of said City satisfactory arrangement, settlement agreement or payment plan to the School District.

B. The successful Proposer, Vendor or Bidder shall be required under the awarded School District contract to continue to comply with said City satisfactory arrangement, settlement agreement or payment plan during the duration of said contract.

4. BOE Reserves Right or Option to Award School District Contract to Non-Tax Compliant Firm, Business or Other Legal Entity.

A. The BOE reserves the right or option to award a School District contract to a Proposer, Vendor or Bidder that has not submitted a "Certificate of Tax Clearance" to the School District if the BOE determines, in its sole discretion, that award of said contract to the Proposer, Vendor or Bidder is in the best interest of the School District, or is required under applicable Federal, State or Local laws, codes, regulations or rulings.

B. The BOE reserves the right or option to award a School District contract to the apparent lowest or successful Proposer, Vendor or Bidder that does not provide a "Certificate of Tax Clearance" to the School District if the BOE determines, in its sole discretion, that award of said contract to the apparent lowest or successful Proposer, Vendor or Bidder is in the best interest of the School District, or is required under applicable Federal, State or Local laws, codes, regulations or rulings.

C. The BOE reserves the right or option to award a School District contract to a Proposer, Vendor or Bidder that is delinquent in its payment of City or School District taxes or other indebtedness owed to the City or the School District at the time of contract award if the BOE determines, in its sole discretion, that award of said contract to the Proposer, Vendor or Bidder is in the best interest of the School District, or is required under applicable Federal, State or Local laws, codes, regulations or rulings.

D. The BOE reserves the right or option to award a School District contract to a Proposer, Vendor or Bidder that is delinquent in its payment of City or School District taxes or other indebtedness owed to the City or the School District at the time of contract award if the Proposer, Vendor or Bidder has entered into a satisfactory arrangement, settlement agreement or payment plan with the City to become compliant in the payment of City or School District taxes or other indebtedness owed to the City or the School District. The Proposer, Vendor or Bidder shall provide written proof of said City satisfactory arrangement, settlement agreement or payment plan to the School District before the BOE authorizes the award of said contract.

E. The BOE reserves the right or option to award a School District contract to a Proposer, Vendor or Bidder that is in default of any satisfactory arrangement, settlement agreement or payment plan with the City to become compliant in the payment of City or School District taxes or other indebtedness owed to the City or the School District if the BOE determines, in its sole discretion, that award of said contract to the Proposer, Vendor or Bidder is in the best interest of the School District, or is required under applicable Federal, State or Local laws, codes, regulations or rulings.

A. The BOE or the School District reserves the right or option to set off or offset the amount of any City or School District tax or taxes or other indebtedness owed to the City or the School District against any payment or payments due to the successful Proposer, Vendor or Bidder under any contract with the School District.

B. The successful Proposer, Vendor or Bidder shall agree under the awarded School District contract that the School District may set off or offset the amount of any City or School District tax or taxes or other indebtedness owed to the City or the School District against any School District payment or payments due under any School District contract.

TAX COMPLIANCE OF VENDORS POLICY

1. It is the policy of the School District of Philadelphia that a competitive process is required for all contracts over \$15,000 unless (a) the School District is required by law to enter into a contract regardless of tax compliance; or (b) there is a strong countervailing reason approved by the Deputy Superintendent or the Chief Operating Officer, and the Board of Education is notified at the time of the approval.

2. It is the policy of the School District to ensure that firms, businesses and other legal entities receiving School District contracts are current in their payment of City of Philadelphia ("City") taxes or other indebtedness owed to the City, including but not limited to taxes collected by the City on behalf of the School District, at the time of contract award.

3. Whenever a proposed vendor, bidder, responder or contracting party is awarded a contract, the vendor, bidder, responder or contracting party shall produce to the School District a Certificate that the vendor, bidder, responder or contracting party is compliant with any tax obligations or an Affidavit that the vendor, bidder, responder or contracting party is not subject to or liable for any City or School District taxes or other indebtedness owed to the City and/or the School District.

4. Generally, the Board of Education ("BOE") of the School District will not authorize the award of a School District contract to a firm, business or other legal entity that is delinquent in its payment of City or School District taxes or other indebtedness owed to the City and/or the School District at the time of contract award.

5. The BOE reserves the right or option to award a School District contract to the apparent lowest or successful vendor, bidder, responder or contracting party who does not provide a Certificate of Tax Clearance to the School District if the BOE determines, in its sole discretion, that award of the contract to the apparent lowest or successful vendor, bidder, responder or contracting party is in the best interest of the School District, or required under applicable Federal or State laws, regulations or rulings. The BOE also reserves the right or option to set off or offset the amount of any City taxes or other indebtedness owed to the City and/or the School District against any payment or payments due to the apparent lowest or successful vendor, bidder, responder or contracting party under any contract with the School District.

6. The BOE or the School District reserves the right or option to set off or offset the amount of any City taxes or other indebtedness owed to the City and/or the School District against any payment or payments due to a firm, business or other legal entity under any contract with the School District.

7. The BOE may authorize the award of a School District contract to a firm, business or other legal entity that is delinquent in its payment of City or School District taxes or other indebtedness owed to the City and/or the School District at the time of contract award, if the BOE determines, in its sole discretion, that award of the contract to the firm, business or other legal entity is in the best interest of the School District, or required under applicable Federal or State laws, regulations or rulings.

8. The BOE, in its sole discretion, may authorize the award of a School District contract to a firm, business or other legal entity that is delinquent in its payment of City or School District

taxes or other indebtedness owed to the City and/or the School District at the time of contract award and that has entered into a satisfactory arrangement with the City to become compliant in the payment of City or School District taxes or other indebtedness owed to the City and/or the School District. The firm, business or other legal entity must provide written proof of this satisfactory arrangement with the City before the authorization of the award of the contract.

9. The Chief Financial Officer will be responsible for monitoring and overseeing the School District's implementation and enforcement of the Tax Compliance of Vendors Policy.

The School District shall have the right at any time and for any reason to terminate the foregoing license. The Contractor covenants and agrees to comply with all rules, regulations and directives concerning the use of School District premises imposed by the School District, including but not limited to rules, regulations, and directives set by a principal concerning his or her school. h. *Contract Reporting.* The Contractor shall comply promptly with the School District's reporting requirements for contracts, including electronic or other reporting of Contractor and contract data.

i. *Whistleblower Protection.* Anything to the contrary set forth elsewhere in this Contract notwithstanding, neither Party shall construe this Contract or any term, covenant, or condition in this Contract to prohibit either Party or any of its employees, Subcontractors, grantees, or subgrantees from filing a charge with, reporting possible violations to, or participating or cooperating with any governmental agency or entity having jurisdiction, including but not limited to a member or committee of Congress, an Inspector General, the Government Accountability Office, a federal employee responsible for contract or grant oversight, a law enforcement agency, a court or grand jury, or a management official or other employee who has responsibility to investigate, discover, or address misconduct, or making other disclosures protected under the whistleblower, anti-discrimination, or anti-retaliation provisions of Applicable Law, including but not limited to 41 U.S.C. § 4712, for the purpose of reporting or investigating a suspected violation of law.

j. *Time.* Time is of the essence of the Contractor's performance of the Work, including the delivery of any Materials to the School District, under this Contract.

k. *Act 126 Child Abuse Recognition, etc., Training.* Before starting any Work, the Contractor shall submit to the School District for the Contractor, if the Contractor is an individual, and for each of the Contractor's employees, officers, agents, servants, volunteers, and Subcontractors, if any, who may have Direct Contact or Direct Volunteer Contact with children, as defined by 23 Pa. If the Commonwealth of Pennsylvania (the "Commonwealth") or the School District need the Contractor's assistance in any matter arising out of the RTKL related to this Contract, the Commonwealth or the School District shall notify the Contractor using the contact information provided in the Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior notice to the Commonwealth and the School District.

m. *Disaster Recovery/Business Continuity.* The Contractor shall maintain appropriate disaster recovery/business continuity and contingency plans providing for continued operation in the event of an adverse event or circumstance affecting the Contractor's business operations so as to minimize any interruption of the Work to the School District.

2. **Background Checks.**

a. *Required Background Checks.* For the Contractor and each of the Contractor's employees, officers, agents, servants, volunteers, and Subcontractors, if any, who may have Direct Contact or Direct Volunteer Contact with children while performing the Work, as defined by 23 Pa. Cons. Stat. Ann. § 6303(a), as amended, the Contractor shall submit true, correct, complete, and current copies of the following clearances prior to starting any Work, in accordance with any and all Applicable Laws, including 24 Pa. Stat. § 1-111, as amended, and 23 Pa. Cons. Stat. Ann. §§ 6344, 6344.2., as amended:

b. *Current; Direct Contact; Failure to Provide.* For purposes of subsection 2.a., “current” means processed by the issuing agency or organization within (i) one (1) year for paid individuals (including employees, officers, agents, servants, and Subcontractors) prior to the later of the individual’s hiring or engagement by the Contractor or Subcontractor, or the commencement of the Term, and (ii) five (5) years for unpaid volunteers prior to the later of the individual’s engagement by the Contractor or Subcontractor or the commencement of the Term. In both cases, where the School District has received and properly reviewed the individual’s background checks within the past five (5) years, the Parties may rely on the individual’s prior submission provided that all individuals relying on prior submitted checks must submit an arrest or conviction report and a certification form, both in a form acceptable to the School District. For an individual who has Direct Contact or Direct Volunteer Contact with children, the School District shall have the right, at any time and in its sole discretion, to require the Contractor to deliver new reports, certifications, clearances, or certificates as required by the more restrictive of School District policies or Applicable Law and the Contractor shall comply promptly with any such request. If the Contractor fails to deliver any such report, clearance certification or certificate on behalf of the Contractor, if an individual, or on behalf of any individual officer, employee, director or Subcontractor, then each such individual may not and shall not carry out any of the Work unless and until the Contractor delivers that individual’s report, clearance, certification or certificate to the School District.

c. *Arrests; Convictions.* The Contractor shall comply and shall ensure that its officers, employees, agents and Subcontractors who carry out any of the Work comply with the requirements of 24 Pa. Stat. § 1-111(j), which mandates, among other things, that any officer, employee or agent of the Contractor or of any Subcontractor report an arrest or conviction for an offense listed in 24 Pa. Stat. § 1-111(e) within seventy-two (72) hours of that arrest. The Contractor shall provide notice to the School District, in a prompt and timely manner, all notices and reports required, and all background checks conducted, under § 1-111(j).

3. ***Compensation; Invoices.***

a. *Invoices Exclusive of Taxes.* Invoices shall be exclusive of state or local sales, use or gross receipts taxes and federal excise taxes. The School District’s Pennsylvania Sales Tax Blanket Exemption Number is 76-51500-1; its Federal Tax ID Number is 23-6004102; and its Federal Excise Tax Number is 23-63-0021-K.

b. *Support for Invoices.* If the Contractor, after a request by the School District, does not provide evidence satisfactory to the School District to support any item or items set forth on an invoice, the School District shall have no liability to make any payment with respect to that item or items. If the School District has already made payment for that item or items, the School District may, by notice to the Contractor, require the Contractor to refund promptly to the School District the amount of any such overpayment, or the School District, at its option, may set off such overpayment against any payments accruing thereafter to the Contractor under this Contract or any other contract between the Parties.

4. ***The Contractor’s Duties Concerning Taxes and Other Obligations.***

a. *Tax Policy.* The School Reform Commission (the “Commission”) by its Resolution SRC-2, dated February 21, 2013, adopted its Tax Compliance of Vendors Policy (the “Tax Policy”) for School District vendors, including the Contractor. The Tax Policy provides that, in general, the Commission will not permit the School District to contract with Persons delinquent in payment of any City of Philadelphia (the “City”), Commonwealth taxes, or other indebtedness or obligation at the execution and delivery of the Contract and at any time during the Term.

b. *Contractor’s Covenants.* In compliance with the requirements of the Tax Policy, the Contractor covenants and agrees that throughout the Term, for itself and any Person controlling, controlled by or under common control with the Contractor, the Contractor shall comply with the following requirements.

i. At any time during the Term, upon notice from the School District, the Contractor shall deliver to the School District proof of its tax compliance in the form of a “Certificate of Tax Clearance” from the City’s Department of Revenue.

ii. At any time during the Term, upon notice from the School District, the Contractor shall

deliver to the School District written proof of its execution and delivery of a settlement agreement, payment plan, or other necessary and appropriate documentation in satisfaction of any indebtedness to (A) the City for or on account of any City tax, including any tax collected by the City on behalf of the School District, or in satisfaction of any other indebtedness or obligation owed by the Contractor to the City and (B) the Commonwealth for or on account of any Commonwealth tax, or in satisfaction of any other indebtedness or obligation owed by the Contractor to the Commonwealth.

iii. The Contractor shall promptly pay and otherwise promptly and diligently comply with and carry out its duties and obligations under any such settlement agreement, payment plan, or other documentation with the City or the Commonwealth until it has discharged its obligation to the City or the Commonwealth by satisfying any such tax or other indebtedness or obligation.

iv. The Contractor may, in good faith, diligently, and expeditiously pursue any bona fide claim, contest, or appeal with the Commonwealth or the City, as the case may be, of its liability for, or the amount of, any indebtedness or obligation to the Commonwealth, or the City for or on account of any tax, including but not limited to any tax collected by the City on behalf of the School District, or other indebtedness or obligation, to the final appeal, adjudication, resolution, or compromise thereof with the Commonwealth or the City. The Contractor shall promptly pay all uncontested taxes and other indebtedness or obligations to the Commonwealth and the City.

c. *The Contractor's Taxes, etc. – School District Set-Off.* The Contractor agrees that the School District shall have the right to set off against, to withhold payment of, or any combination of the these options as the School District sees fit, any and all Compensation accruing and payable to the Contractor under this Contract or any other contract, in order to provide for and assure the payment by or on behalf of the Contractor of any and all sums of taxes or other indebtedness or obligations then lawfully due and owing by the Contractor or any Person controlling, controlled by, or under common control with the Contractor to either the City or the Commonwealth. Each Party shall have the right to rely on certificates and other official documents provided by either the City or the Commonwealth in proceeding to withhold or set off under this subsection 4.c.

5. **Best Pricing.** The Contractor shall perform the Work at the lowest price the Contractor charges to other school districts or other governmental entities for like work. If the School District pays a price for the Work in excess of the lowest price the Contractor charges or has recently charged to a governmental entity, in addition to all other remedies, the School District shall have a right, as damages, to a refund equal to the difference between the price charged to the School District and the lowest price the Contractor charges or has recently charged to another school district or governmental entity, together with interest at a rate equal to the prime rate of interest as published from time to time by the *Wall Street Journal*, plus five percent (5.0%).

6. **Unavailability of Funds; Crossing Fiscal Years.**

a. *Unavailability of Funds.* In the event the School District, in its sole determination, does not or cannot obtain or continue the funding for this Contract from any source or sources at an aggregate level sufficient to allow for payment for the Work, the School District may exercise one of the following alternatives: (i) terminate this Contract effective upon a date specified in a Termination Notice; or (ii) continue this Contract by reducing, through written notice to the Contractor, the amount of this Contract and the scope of the Work, consistent with the nature, amount, and circumstances of the loss of funding. Any termination or reduction of this Contract pursuant to this subsection 6.a. shall not affect any obligations or liabilities of either Party accruing prior to such termination or reduction. The School District shall not face any liability or penalty as a result of such termination or reduction of this Contract.

b. *Crossing Fiscal Years.* If the School District will pay any portion of the Compensation in any School District fiscal year subsequent to the current fiscal year (the School District's fiscal year runs July 1 – June 30), the portion of the Compensation that may accrue hereunder in a subsequent fiscal year remains subject to legally mandated budget authorization by the Board of Education of the School District under Applicable Law. If for any reason funds for that portion of the Compensation that may accrue hereunder in a subsequent fiscal year are not continued in any subsequent School District fiscal year, this Contract and the School District's liability under this Contract shall automatically terminate at the end of the fiscal year for which the Board of Education authorized funds.

7. ***Grant-Funded Contracts; Trust-Funded Contracts.***

a. *Compliance with Grant.* If the School District pays for all or any portion of the Work with funds received by the School District as grants or under other terms and conditions from any source, including the United States of America, the Commonwealth, the City, or any department or agency of said governments, or from any public or private charitable trust or corporation, then the Contractor shall comply with the terms of the applicable grant agreement, contract, or trust indenture, as the case may be, in carrying out the Work, and the School District shall comply with the terms of said grant agreement, contract, or trust indenture, as the case may be, in making any payment or payments hereunder to the Contractor. The Contractor shall not take any action or omit to act if such act or omission would cause a breach or default under any such grant agreement, contract, or trust indenture.

b. *Timely Submission of Invoices.* If the School District pays any of the Compensation from federal government or Commonwealth grant funds, the Contractor shall bill the School District for any outstanding Compensation owed to the Contractor within ten (10) business days after the end of the Term (*see*, Section 3 of the Agreement for Services). In the event the Contractor does not bill the School District for the balance of any Compensation within said ten (10) day period, the School District reserves the right to withhold payment of the balance of the Compensation to the Contractor based upon the loss of federal government or Commonwealth funds caused by the Contractor's delay, in which event the School District shall have no liability to the Contractor for said balance of the Compensation.

8. ***Independent Contractor; No Partnership or Agency.***

a. The School District has engaged the Contractor as an independent contractor to carry out the Work and neither the Contractor nor any of the Contractor's agents, employees, or Subcontractors shall in any way or for any purpose whatsoever be deemed an agent or employee of the School District. Neither the Contractor nor any of its agents, employees, or Subcontractors constitute employees of the School District and these Persons shall have no right to receive any School District employee benefits or any other privileges available to School District employees. Neither the Contractor nor its agents, employees, or Subcontractors shall represent themselves in any way as agents or employees of the School District. Further, neither the Contractor nor its agents, employees, or Subcontractors have any power to bind legally the School District in any way or for any purpose whatsoever, to any third party.

b. Anything set forth elsewhere in this Contract to the contrary notwithstanding, including but not limited to any references in any exhibits to a "partnership" or "partner" relationship, the Parties have not created, do not intend to create, and no Party nor any other Person, including any court or other tribunal, shall construe anything set forth in this Contract as creating a joint venture or partnership between the School District and the Contractor with respect to the Work. Neither the Contractor nor the School District shall have any power to bind the other Party in any manner whatsoever to any third party. The Contractor does not function as an agent of the School District in any dealings with any third party.

9. ***Non-Discrimination and Compliance with Diversity Policies.***

a. The Contractor, for itself, its directors, officers, agents, employees and Subcontractors, covenants and agrees that it shall not discriminate against or intimidate any employee or other Person on account of age race, color, sex, sexual orientation, handicap, disability, religious creed, ancestry, national origin, gender identity, marital status, genetic information, or Vietnam-era or any other veteran status. The School District operates as an equal opportunity employer under Applicable Law; the Contractor shall likewise operate in all respects as an equal opportunity employer under Applicable Law. The School District shall not do business with any Person that unlawfully discriminates on the basis of age, race, color, sex, sexual orientation, handicap, disability, religious creed, ancestry, national origin, gender identity, marital status, genetic information, or Vietnam-era or any other veteran status, or any other impermissible ground in hiring, promotion, subcontracting or procurement practices. The Contractor shall include the first three sentences of this Section 9.a., with appropriate adjustments for the identity of the parties, in any Subcontracts that it executes and delivers. If the School District has selected the Contractor pursuant to a public solicitation or through a request for proposals or comparable process and the Contractor submitted a plan describing the participation of minority-owned, women-owned or

disadvantaged businesses as part of the solicitation or the RFP, then the Contractor shall comply with its Participation Plan, as set forth in this Contract.

b. The Board of Education has adopted a diversity policy, Policy 612: Business Diversity in the Procurement of Materials and Contracted Services (“Diversity Policy”), which relates to the solicitation and participation of Certified Minority-Owned Business Enterprises, Certified Women-Owned Business Enterprises (collectively “M/WBE”), and other Certified diverse, small, or disadvantaged businesses in School District procurements and contracts to further the School District’s diversity and anti-discrimination goals. In furtherance of the Diversity Policy, the School District has the discretion to establish participation rates and ranges for Certified M/WBEs and other Certified diverse, small, or disadvantaged businesses in order to encourage meaningful participation of M/WBEs in the provision of quality goods and services to the School District.

c. The Contractor shall ensure that Certified M/WBEs and Certified diverse, small or disadvantaged businesses have a meaningful and substantial opportunity to participate in the performance of the Contract. The Contractor covenants, represents and warrants that the Contractor, its Subcontractors and partners commit to adhering to anti-discrimination laws and policies, diversity goals and workforce management practices that promote Meaningful and Substantial Participation of Certified M/WBEs and other Certified disadvantaged business enterprises throughout the Term of the Contract. If the Contractor has submitted a plan describing the participation of Certified M/WBEs and other Certified diverse, small, or disadvantaged businesses (“Participation Plan”) as part of a public solicitation, Request for Proposal, or as required by School District policies, then the Contractor shall comply with its Participation Plan. The Contractor’s Participation Plan shall be attached to this Contract and made a part hereof. The commitments made by the Contractor in the Participation Plan are material representations that the School District relies upon in awarding and entering into this Contract.

d. The Participation Plan must demonstrate that the participation of Certified M/WBEs and other Certified diverse, small, or disadvantaged businesses constitutes Meaningful and Substantial Participation in the Work , the Contract and any subsequent amendment. Participation shall be measured in terms of actual dollars received for work performed or services provided by Certified M/WBEs and other Certified diverse, small, or disadvantaged businesses and the Contractor’s workforce management practices. The Contractor shall take good faith actions to achieve the requirements of the Diversity Policy in conformity with Board of Education policies, including but not limited to submitting a Participation Plan.

e. The Contractor shall not increase or decrease the percentages of Work, scope of Work, or dollar amounts for any Certified M/WBE and other Certified diverse, small, or disadvantaged businesses set forth in the Participation Plan without the written approval of the School District. If the requested change is approved, the Contractor shall promptly submit a revised Participation Plan for School District approval. The Parties shall incorporate the revised Participation Plan in this Contract by amendment.

f. In addition to and not in derogation of the available rights and remedies under subsection 20.c., the School District may, if the Contractor breaches this Section 10, pursue suspension or debarment in conformity with the procedures set forth in the Diversity Policy.

g. In addition to and not in derogation of any reporting requirements set forth in subsection 1.h., when required by the Diversity Policy or the Participation Plan, as applicable, the Contractor shall keep appropriate records and periodically report to the School District regarding the use of Certified M/WBEs and other Certified diverse, small, or disadvantaged businesses.

10. ***Subcontracts.***

a. *School District Consent Required.* The Contractor shall not delegate or enter into any Subcontract for the performance of any of its obligations under this Contract, including any portion of the Work, in whole or in part, without in each instance first giving notice to and obtaining the written consent of the School District, which consent the School District may grant, withhold, condition or delay in its sole discretion.

b. The School District hereby consents to any Subcontract entered into by the Contractor specifically referenced in Exhibit “A”, the Contractor’s Statement of Work, to this Contract. Any subcontract or assignment made in violation of this Section 10 shall be null and void. The School District shall have no

obligation to any Subcontractor. Each Subcontract shall contain clauses to the effect that (i) the Subcontractor shall have no recourse to the School District for any payment or for performance under such Subcontract; (ii) the Subcontractor consents to any assignment of the Subcontract by the Contractor to the School District, at the School District's sole option; and (iii) the Contractor shall make payment to any Subcontractor within five (5) business days after receipt of payment from the School District with respect to work properly invoiced by a Subcontractor to the Contractor and reflected in the payment by the School District to the Contractor.

c. *No Change in the Contractor's Obligations.* The existence of any Subcontract shall not alter or limit the obligations of the Contractor to the School District under this Contract. The Contractor shall at all times remain fully responsible for its Subcontractors, and shall ensure that it legally binds all Subcontractors to the same terms and conditions as the Contractor under this Contract, including without limitation, non-discrimination, warranties, confidentiality, maintenance and preservation of records and audit by government representatives.

11. *Non-Assignment.* The Contractor acknowledges that the Work constitutes personal or professional services, or both, of the Contractor. Except through a Subcontract subject to Section 10 above, the Contractor shall not assign this Contract, or any part of this Contract, nor delegate performance of any part of this Contract, without the prior written consent of the School District, which consent the School District may grant, withhold, condition or delay in its sole discretion. This Contract legally binds the Parties and their respective successors and assigns. Any purported assignment in violation of this provision shall be void and of no effect. The School District's consent to an assignment shall not release the assignor from any liability or obligation accrued or thereafter accruing under this Contract. Any assignment shall be in writing and shall contain an express assumption by the assignee of all liability or obligation accrued or thereafter accruing under this Contract. Consent by the School District to any assignment shall not constitute a course of conduct, dealing or performance with respect to any other assignment or proposed assignment. For purposes of this Section 11, an assignment includes the acquisition of the Contractor, or a controlling interest therein, through an asset sale or a corporate or other merger, the appointment of a receiver or bankruptcy trustee for the Contractor, and the transfer of this Contract or the Contractor in any bankruptcy or other insolvency-related proceeding. A receiver or trustee of or for the Contractor in any federal or state bankruptcy, insolvency or other proceeding concerning the Contractor shall comply with the requirements set forth in this Contract, including but not limited to this Section.

12. *Audits; Records and Payments; Inspectors General.*

a. *Audits.* From time to time during the Term and for a period of six (6) years after the expiration or termination of this Contract (*see*, 24 Pa. Stat. § 5-518), the School District; the Controller of the City; the Commonwealth, including without limitation its Auditor General and the Pennsylvania Department of Education, or a department, agency or instrumentality of the United States of America, if the School District funds this Contract with federal funds, or any of their authorized representatives (each, for the purposes of this Section, an "Auditor") may audit any and all aspects of the Contractor's performance under this Contract, including but not limited to its billings, invoices, and payments received.

b. *Inspection.* If requested by an Auditor or the School District, the Contractor shall submit to the Auditor and the School District, for review or inspection, all invoices presented for payment pursuant to this Contract, all canceled checks, Materials, invoices, vouchers, reports, work product, work papers, books, records and accounts upon which the invoices are based, and any and all documentation and justification in support of expenditures or fees incurred pursuant to this Contract. The Contractor acknowledges and agrees that any Auditor may inspect or review all of its Work, Materials, and all of its sites, locations and facilities related to its performance under this Contract. Inspection and review of Work and Materials shall take place at the offices of the Contractor in the City, or in another location with the Auditor's consent. The Contractor shall cooperate with all School District, City, Commonwealth and federal inspections and reviews conducted in accordance with the provisions of this Contract. The scope of such inspection and review of the Work, Materials, and sites, locations and facilities lies in the sole discretion of the Auditor. Such inspection or review may include, without limitation, meetings with persons receiving services under this Contract, review of staffing ratios and job descriptions, and meetings with any of the Contractor's staff members who either directly or indirectly participate or participated in carrying out any of the Work, including preparing, delivering or installing any Materials.

c. *Retention and Availability of Records.* The Contractor shall retain all records, books of account and documentation pertaining to this Contract for the greater of (i) the period required by Applicable Law, or (ii)

six (6) years following expiration or termination of this Contract; provided that if any litigation, claim or audit commences prior to expiration of said six (6) year period, then the Contractor shall retain the records until all litigation, claims or audit findings have been completely terminated or resolved without right of further appeal. The Contractor shall make available, at the Contractor's office in the City or another Contractor office in reasonable proximity to the City, at reasonable times during the Term and for the period set forth in this Section 12, all records pertaining to this Contract for the purpose of inspection, audit or reproduction by any Auditor. The Contractor shall provide such records without unreasonable delay when requested by an Auditor.

d. *Inspector General; Inspectors General.* The School District's Inspector General shall enjoy all the rights, powers, and privileges of an Auditor under this Contract and any and all additional rights, powers, and privileges as provided by Applicable Law and by delegation from the Board of Education or other duly constituted authority having jurisdiction, e.g., a commission. The Contractor shall cooperate and comply with any audit or investigation by the School District's Inspector General, or by any City, Commonwealth or federal inspector general having jurisdiction, and any joint investigation. The Contractor and its partners, members, shareholders, directors, officers, employees, agents, contractors and Subcontractors shall cooperate fully with the School District's Inspector General by providing true, correct and complete information and records, as well as all necessary or appropriate assistance in any matter investigated by the Inspector General. In any investigation the School District's Inspector General shall have and enjoy complete and unimpeded access to all papers, workpapers, books, records, documents, information, personnel, processes, e.g., meetings, data, computer hard drives and networks, e-mail, text or instant messages, facilities and other assets owned, leased, licensed or used by or for the School District, including but not limited to information regarding the Contractor or other School District contractors, or any other Person involved in any way with the School District, as deemed necessary in performing investigative or audit activities pertaining in any way to the business, operations or public functions of the School District or the Board of Education, and in the custody of the Contractor or any Subcontractor.

13. ***Indemnification; Litigation Cooperation; Notice of Claims.***

a. *Indemnification.* The Contractor shall indemnify, defend, and hold harmless the School District, its officers, employees, agents, and the members of the Board of Education from and against any and all losses and expenses, including but not limited to, litigation and settlement costs, attorneys' fees and costs; claims; suits; actions; damages; and liability for or on account of actual or alleged loss of life, bodily injury, personal injury, damage to property, or the use of facilities or equipment furnished to the Contractor that arise out of or are related to the performance or non-performance of the Work by the Contractor or the Contractor's agents, Subcontractors, assignees, independent contractors, employees or servants. The Contractor shall indemnify, defend and hold harmless the School District, its officers, employees, agents and the members of the Board of Education from and against any and all losses and expenses, including, but not limited to, litigation and settlement costs, attorneys' fees and costs; claims; suits; actions; damages; and liability for or on account of actual or alleged violation of any third party's copyright, trademark, patent, trade secret or other valid proprietary right, employment discrimination, contamination of or adverse effects on the environment, intentional acts or omissions, failure to pay any Subcontractors or suppliers, any Event of Default under this Contract, and breach, if any, of any Subcontract, that arise out of or are related to the performance or non-performance of the Work by the Contractor or the Contractor's agents, Subcontractors, assignees, independent contractors, employees or servants.

b. *Indemnification; Contractor's Employees.* Except as set forth below in this subsection 13.b., this Section 13 does not require the Contractor to indemnify the School District to the extent of the School District's own negligent act or omission. This Section 13 protects the School District, its officers, employees, agents and the members of the Board of Education and the Commission from all claims arising during the Term asserted by employees, agents or workers of the Contractor or any Subcontractor who are injured on or by School District real or personal property, or who assert an employment claim of any kind against the School District, including but not limited to any claim or claims relating to the termination of employment, regardless of when the claimant makes the claim. Except as expressly set forth below in this subsection 13.b., the Parties shall not construe this Section 13 to alter, limit, negate, abridge or otherwise reduce any other right or obligation that would otherwise exist as to any Party or Person described in this Contract. This Section 13 functions independently of the Contractor's or its Subcontractors' insurance or lack thereof, and the Parties do not intend that rights set forth in this Section 13 be deemed limited by the Pennsylvania Workers' Compensation Act. This Section 13 shall apply, particularly, but not exclusively, to the claims of the Contractor and all of its Subcontractors, and all of their respective officers, agents, representatives and employees, against the School District, its officers, employees and

agents, and the members of the Board of Education and the Commission. The Contractor and all of its Subcontractors, and all of their respective officers, agents, representatives and employees, shall have no claim against the School District, its officers, employees and agents and the members of the Board of Education or the Commission, for the acts, failures to act or negligence of the School District, or its officers, employees and members of the Board of Education or the Commission.

c. *Litigation Cooperation.* If at any time, including after the expiration or earlier termination of the Term, the School District becomes involved in a dispute or receives notice of a claim, or is involved in litigation concerning the Work and Materials provided under this Contract, the resolution of which requires the services or cooperation of the Contractor, and the Contractor does not otherwise have a duty to indemnify and defend the School District pursuant to the provisions of subsection 13.a. above, the Contractor shall provide such services and shall cooperate with the School District in resolving such claim or litigation as part of the Work and Materials under this Contract.

d. *Notice of Claims.* If the Contractor receives notice of a legal claim against it in connection with or in any way related to this Contract, the Contractor shall (i) submit appropriate written notice of such claim to its insurance carrier within the time frame required for submission of claims by the applicable insurance policy and, (ii) within five (5) business days of receipt of notice of the claim, give notice of such claim to the School District.

14. ***School District Statutory Immunity.*** Any other term, covenant or condition of this Contract to the contrary notwithstanding, the School District, its officers, employees, agents, and the members of the Board of Education, retain their statutory governmental, official and any other immunity provided pursuant to Applicable Law, including 42 Pa. Cons. Stat. Ann. §§ 8501 and 8541 *et seq.*, as amended. The Contractor acknowledges and agrees that the School District (a) is a Local Agency, as defined in 42 Pa. Const. State. Ann. §§ 8501 and 8541; and (b) does not waive, nor have the power to waive, for itself or for its officers, employees, and for the members of the Board of Education and the Commission, by way of indemnity or otherwise, the defenses of governmental, official or any other immunity derived from said statutes or provided by law .

15. ***Insurance.*** Prior to the commencement of any of the Work, the Contractor shall provide and maintain the following minimum levels of insurance at the Contractor's own expense until the latest of completion of the Work, final payment by the School District or final acceptance of the Work. The Contractor shall include in its bid, proposal or quote its cost of the required insurance; the Parties shall make no adjustment to the Compensation on account of these insurance costs. The term "Contractor" shall include Subcontractors and Sub-Subcontractors at every tier. The Contractor shall deliver to the School District a certificate or certificates of insurance evidencing and reflecting the effective date of coverage, as set forth below in subsection 15.e. In no event shall the Contractor commence or permit commencement of any of the Work unless and until the Contractor delivers and the School District has approved the required evidence of insurance in conformity with this Contract. If the School District finds the Contractor's evidence of insurance non-compliant, the School District shall have the right, but not the duty, at its discretion, to purchase the required insurance coverage or coverages, at the sole cost and expense of the Contractor, by set-off against Compensation accrued or accruing, or through the Contractor's direct payment or reimbursement to the School District. The School District by notice or other communication may require additional coverage or coverages, or higher coverage limits, aggregate limits or sub-limits at any time during the Term, if in the School District's sole judgment, a risk or risks warrant such additional coverage or limits.

a. *Rating.* The Contractor shall procure all insurance from insurers permitted to do business in the State in which the Work takes place, having an A.M. Best Rating of at least "A-, Class VIII".

b. *Self-Insured Retention.* The Contractor shall not have a Self-Insured Retention ("SIR") on any policy greater than \$50,000; any and all SIRs shall remain the Contractor's responsibility. In the event any policy includes an SIR, the Contractor shall provide the additional insured requirements specified herein within the SIR.

c. *Occurrence Basis.* The Contractor shall ensure that its insurer or insurers write all insurance required hereunder, with the exception of the Professional Liability Insurance, on an "occurrence" basis. Claims-Made coverage must include:

i. a retroactive date on or prior to the start of Work under this Contract; and

ii. “tail coverage/an extended reporting period” or coverage for a period of three (3) years subsequent to the later of completion of the Work or final payment.

d. *Notice of Cancellation or Non-Renewal.* The Contractor’s insurance carrier or carriers each shall agree to provide at least thirty (30) days prior written notice to the School District in the event of any cancellation or non-renewal of any coverage. In the event of cancellation or non-renewal of any coverage or coverages, the Contractor shall replace any such coverage or coverages so as to comply with the insurance requirements set forth in this Contract, with no lapse of coverage for any time period. In the event the Contractor’s insurance carrier or carriers do not issue or endorse their policy or policies to comply with this subsection 15.d, above, the Contractor shall give notice to the School District of its receipt of any notice of cancellation or non-renewal at least thirty (30) days prior to the effective date of the proposed cancellation or non-renewal.

e. *Certificates.* The Contractor shall deliver to the School District the required certificate or certificates of insurance, evidencing the insurance coverages required under this Contract, at least ten (10) days prior to the start of the Work and thereafter promptly before or on renewal or replacement of each coverage. In the description of operations section of the required certificate, it must be written that the School District, its Board of Education and its members, officers, employees, and agents shall be named as additional insured. The Contractor shall not begin any Work until the School District has reviewed and in its discretion approved the certificate of insurance. The required insurance shall not contain any exclusions or endorsements unacceptable to the School District. The Contractor shall send all certificates of insurance to:

The School District of Philadelphia
Office of Risk Management
440 North Broad Street, Suite 325
Philadelphia, PA 19130-4015
Attn.:Director of Risk Management
E-mail: riskmanagement@philasd.org

Failure of the School District to demand these certificates or other evidence of full compliance with these insurance requirements or failure of the School District to identify a deficiency from evidence that is provided shall not constitute a waiver of the Contractor’s obligation to maintain such insurance.

With respect to insurance maintained after final payment in compliance with a requirement below, an additional certificate(s) evidencing such coverage shall be provided to the School District with final application for payment and thereafter upon renewal or replacement of such insurance until the expiration of the time period for which such insurance must be maintained.

f. *Additional Insured.* The Contractor shall add the School District, and such other public entities as the School District may require, as additional insureds on all liability policies, except Workers’ Compensation and Professional Liability Policy, where applicable, for ongoing operations and completed operations, using ISO Endorsements CG 2010 and CG 2037, or their equivalents, on a primary noncontributory basis. Coverage shall include ongoing and completed operations. Each of the additional insured’s respective directors, officers, board members, employees, agents and representatives shall also constitute covered additional insureds. The Contractor and its insurer or insurers shall provide coverage for a period of three (3) years subsequent to the later of completion of Work or final payment. The School District reserves the right to require the Contractor to name other parties as additional insureds. There shall be no “Insured versus Insured Exclusion” on any policies (other than “Named Insured versus Named Insured”); all policies will provide for “cross liability coverage”, per standard ISO policy forms.

g. *Waiver of Rights of Subrogation.* The Contractor shall waive all rights of recovery against the School District and all the additional insureds for loss or damage covered by any of the insurance maintained by the Contractor.

h. *No Limitation of Liability.* Neither the Parties nor any tribunal or adjudicatory body shall or may construe the amount of insurance set forth in the insurance coverages required in this Section 15, as a limitation of the liability of the Contractor. The carrying of insurance as set forth in this Section 15 shall not

relieve the Contractor of any duty or liability under the Contract, except to the extent of insurance proceeds paid. Any type of insurance, or any increase in limits of liability, not described above, which the Contractor requires for its own protection or on account of statute shall be its own expense.

i. *Notice of Accidents, Claims and Suits.* The Contractor shall promptly notify the School District and the appropriate insurance company(ies) in writing of any accident(s) as well as any claim, suit or process received by the Contractor arising in the course of operations under the Contract. The School District may in its sole discretion elect not to exercise any of the above remedies and may permit the Contractor to continue to perform the Work. BUSINESS DIVERSITY IN THE PROCUREMENT OF MATERIALS AND CONTRACTED SERVICES

BID NO. NG10775

NOTICE TO BIDDERS

This Invitation to Bid is issued under the Board of Education Policy 612: Business Diversity in the Procurement of Materials and Contracted Services (for the purposes of this Appendix, the "Policy"). A fundamental requirement of the Policy is that all contractors, vendors and consultants who contract with the District provide a full and fair opportunity for the participation of Minority and Woman-Owned firms (M/WBE's) in the performance of the contract. Ranges of participation have been established that represent meaningful and substantial participation for this contract based upon the availability of bona fide M/WBE firms. The range of participation is:

MWBE Range: Best Efforts

The Business Diversity in the Procurement of Materials and Contracted Services and Participation Form are included with the bid documents. The form must be completed and submitted with the bid. Bidders are advised to carefully review the instructions. Failure to comply may result in disqualification.

This range of participation for this bid may be amended or adjusted. Notification of any change will be made available through public addenda, and posted on the Office of Procurement Services Website.

All questions about the Business Diversity in the Procurement of Materials and Contracted Services and Bidder compliance should be directed to **Kelly Burley, Project Manager, in the Small Business Development Department** at Kburley@philasd.org or 215-400-5908.

Business Diversity in the Procurement of Materials and Contracted Services

SECTION 1. THE POLICY

The School District's Business Diversity in the Procurement of Materials and Contracted Services Policy applies to all School District and Intermediate Unit contracts, as designated by the School District and approved by the Board, including but not limited to, contracts for the design, development, construction, operation and maintenance of school buildings and other buildings and structures owned, leased or used by the School District or its contractors, assignees, lessees and licensees (the "Facilities"); contracts for professional services and contracts for the purchase of goods, services, supplies and equipment for the School District and the Facilities. Through adoption and implementation of the Policy, the School District seeks to achieve the objective of better promotion of prime contract and subcontract opportunities for MWBEs, as approved by the School District or certified by the OEO, Southeastern Pennsylvania Transportation Authority ("SEPTA"), or any other certifying agency designated by the School District in its discretion.

The Policy fundamentally requires that all contractors, vendors and consultants who contract with the School District, satisfy the School District that they shall: (i) not discriminate against any person in regard to race, color, religion, age, national origin, sex, ancestry, handicap or disability; and (ii) provide a full and fair opportunity for the participation of MWBEs in the work under School District contracts. Contractors must demonstrate "meaningful and substantial" participation by MWBEs in all phases of a contract, under criteria adopted by the School District. "Meaningful and substantial" means the range of participation that reflects the availability of bona fide MWBEs for the work in the Philadelphia Metropolitan Statistical Area. The School District measures participation in the actual dollars received by MWBEs.

"Minority" as used in this Policy, means:

Black American, *i.e.*, all persons having origins in any of the Black African racial groups;

Hispanic/Latino American, *i.e.*, all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin;

Asian Pacific Island American, *i.e.*, all persons having origin in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands; and

Native American, *i.e.*, all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification.

A. Procedures for Implementation

1. Articulation of the Policy, Staffing and Reporting

The School District Office of General Counsel and the Procurement Services' Office of Small Business Development have developed this language for the bid (the "Solicitation Language"), in order to set forth clearly the objectives of the Policy. School District employees shall include this Solicitation Language in all bids/RFPs and similar procurements, *e.g.*, bids/RFPs. The School District shall publicize and articulate the Policy to the public in general, and to each Person, Proposer, bidder contractor, lessee or licensee doing business with the School District.

The School District may employ additional staff or contract with other public or private entities to assist in the implementation of the Policy. School District staff shall provide the Board with quarterly reports on the levels MWBE participation in all contracting activities.

2. Promotion of MWBEs

The School District recognizes the importance of having meaningful and substantial MWBE participation in all contracts. To that end, the School District shall take steps to ensure that it affords to MWBEs a fair and equal opportunity to participate. Those steps may include but are not limited to: (i) making public contracting opportunities; (ii) advertising in newspapers and periodicals published by community-based organizations and

MWBEs; and (iii) designing bid & RFP packages in such a way as to promote rather than discourage MWBE participation.

3. Contracting Requirements

Prior to the dissemination of any bid or other form of public solicitation (a “Solicitation”), the School District shall determine the projected range of MWBE participation in the Work procured (the “Participation Range”), and may include this information, along with the names and addresses of bona fide MWBEs potentially available for contracting or joint-venture opportunities with the Solicitation. Each Proposer shall submit with its Proposal or other form of response: (i) a plan that meets the Participation Range set forth in the Solicitation and lists the names, addresses, dollar amounts and scope of work delegated, subcontracted or otherwise allocated to the MWBE to carry out (the “Participation Plan”); or (ii) a brief narrative explaining its reasons for not submitting a Plan which meets the Participation Range set forth in the Solicitation. Submission of the Participation Plan is an element of responsiveness and failure to submit a completed Participation Plan or a narrative explaining the reasons that the Participation Ranges could not be met may result in the rejection of a Proposal, bid or other form of response.

If the Participation Range in a Proposal, bid or other form of response meets or exceeds the level determined by the School District as meaningful and substantial, the School District shall presume the Proposer’s Proposal complies with the Policy. If, however, the proposed Participation Range falls below the meaningful and substantial level, then the Proposer must prove to the satisfaction of the School District that it did not discriminate in the solicitation of potential subcontractors, joint venture partners or both.

4. Sanctions

The Parties shall incorporate the Proposer’s Participation Plan as a part of each Contract between the School District and a Contractor, and the Proposer’s Participation Plan shall be enforceable like any other contractual term, covenant or condition, in the manner set forth in the Contract. Sanctions for breach of a Participation Plan shall include, among others, suspension or cancellation of the Contract, and in some cases debarment from future contracting opportunities with the School District.

BIDDER RESPONSIBILITIES

THE POLICY

The Policy seeks to provide equal opportunity for all businesses and to ensure that the School District does not use its funds, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. The School District is committed to fostering an environment in which all businesses freely, fairly and equitably participate in business opportunities, flourish without any impediments of discrimination, and participate in School District contracts and contracting opportunities on an equitable basis. In accordance with the contracting requirements of the School District, the Policy applies to bids/RFPs for supplies, services & equipment, design & construction contracts, and contracts for professional services.

CERTIFICATION REQUIREMENTS

The School District shall credit toward participation ranges only firms certified by an approved certifying agency prior to bids/RFP opening. Approved agencies include OEO, SEPTA, other state and city certification offices, State Departments of Transportation, the Small Business Administration, National and Local Minority Supplier Development Councils; National Association of Women Business Owners, and other identified certifying agencies approved by the School District.

PARTICIPATION CREDIT

MWBE subcontractors and manufacturers and suppliers of products are credited toward the participation range at 100%.

Proposers who utilize indirect contracting with MWBE firms to satisfy the participation range may do so, however indirect participation may not exceed twenty five percent (25.0%) of the requirement.

In order to maximize opportunities for businesses, the School District shall credit a firm certified in two or more categories toward only one participation range, e.g., as either an MBE or WBE, but not both. Proposers should note in their Proposal the category; MBE, WBE, or other, for which the Proposer seeks credit.

For an MWBE submitting as the prime contractor, the School District shall credit toward the participation ranges the value of its own work or supply effort.

In listing amounts committed to on the Participation Plan submitted as part of its Proposal, Proposers should list both the dollar amount and percentage of total bid/RFP Compensation for each MWBE commitment proposed. In calculating the percentage, Proposers may apply the standard mathematical rules in rounding off numbers. In the event of an inconsistency between the dollars and percentages listed on the Participation Plan form, the School District shall use and rely on the amount which results in the greater commitment.

RESPONSIVENESS

Proposers must submit documentary evidence of MWBEs solicited by the Proposer and of those MWBE with whom the Proposer has made tentative commitments.

Proposers shall submit with their Proposals documentation of all Proposer solicitations of prospective MWBEs, regardless of whether tentative mutual commitments resulted, as well as all tentative commitments made prior to Proposal submission, on the document entitled "Participation Plan" form. If the Proposer has entered into a joint venture with a MWBE partner, the Proposer must submit a copy of the joint-venture agreement along with the Participation Plan form.

The School District shall reject as non-responsive all Proposals from Proposers who fail to submit the required information on MWBE participation. Proposers should note that the School District shall credit toward the Participation Ranges only tentative commitments made prior to Proposal submission and listed on the Participation Plan form. Since the School District must ensure that all Proposers respond on equal terms, the School District shall reject as non-responsive a Proposal that indicates that the Proposer will make commitments after Proposal opening.

Upon execution and delivery of a definitive Contract, the completed Participation Plan forms and accompanying documents regarding solicitation and commitments with MWBEs become legally binding as part of the Contract. A Proposer should only make actual solicitations of MWBEs whose work or materials are within the scope of the bid/RFP Work. The School District shall not deem mass-mailing of a general nature as MWBE solicitation, but rather treated these mailings as informational notification only. Prospective Proposers should give all solicited MWBE firms a reasonable period of time to ensure that MWBEs can prepare their quotes adequately and diligently.

The Proposer's listing of a commitment with an MWBE as described on the Participation Plan form constitutes a representation that the Proposer has, prior to Proposal submission, made a tentative commitment to contract with the MWBE firm, on receipt of a Contract from the School District.

PROPOSAL REVIEW

Upon receipt of Proposals for this bid/RFP, the School District shall submit Proposer's Proposal for review to the School District's Office of Small Business Development ("SBD") to determine whether the Proposer has submitted a Proposal that meets the Participation Ranges for MWBE set forth in this bid/RFP. If the Proposal meets these ranges, the School District shall rebuttably presume the Proposer to have met the requirements of the Policy.

Contractors shall maintain MWBE percentage commitments throughout the Term of the Contract; these percentage commitments shall apply to the total Contract value, i.e., the Compensation, which shall include approved change orders and amendments. Any change in commitment, including but not limited to substitutions for the listed firm(s), changes or reductions in the work and/or listed dollar/percentage amounts must be approved by the School District.

ACCESS TO INFORMATION

The SBD unit or its designee shall have the right to make site visits to the Proposer's place of business and job site, and to obtain documents and information from any Proposer, Contractor, Subcontractor, supplier, manufacturer or other contract participant that may be required in order to ascertain Proposer responsibility and responsiveness. Failure to cooperate with the SBD unit in its review shall result in a recommendation to the School District user Department and bid/RFP evaluation team that the School District deem the Proposer not responsible and reject its Proposal.

RECORDS AND REPORTS

The Contractor shall maintain records relating to its MWBE commitments, *e.g.*, copies of subcontracts, joint venture agreement, correspondence, cancelled checks, invoices, telephone logs; for a period of at least six years following acceptance of final payment. 24 P.S. § 5-518. The Contractor shall make these records available for inspection by the SBD unit and other appropriate School District officials.

The Contractor shall submit reports and other documentation to the School District as deemed necessary by the SBD unit to ascertain the Contractor's successful discharge of its MWBE commitments.

REMEDIES

The School District deems the Contractor's successful compliance with the requirements of the Policy material to the Contract. Any failure to comply with these requirements constitutes a substantial breach of the Contract. The Contractor understands, acknowledges and agrees that in the event the School District determines that the Contractor has failed to comply with these requirements, the School District may, in addition to any other rights and remedies they may have under the Contract, any bond filed in connection therewith, or at law or in equity, exercise one or more of the following remedies:

- withhold payment(s) or any part thereof until corrective action is taken;
- terminate the Contract, in whole or in part;
- suspend the Contractor from participating in any future School District Contracts for a specified period; or
- recover as liquidated damages, one percent of the Compensation under the Contract for each one percent, or fraction thereof, of the commitment shortfall. *Note:* the "Compensation", *i.e.*, the total dollar amount of the Contract, shall include approved change orders, amendments, and for requirements contracts shall be based on actual quantities ordered by the School District.

APPEAL PROCESS

Appeal of any action taken under the Business Diversity in the Procurement of Materials and Contracted Services Policy state the clear reason for appeal and shall be made in writing to:

5. I agree to conduct business with the highest levels of ethical standards and agree to comply with all applicable requirements at all times.
